

Administrative Procedure 408

PECUNIARY INTEREST

Background

The Division does not discourage the entrepreneurship of its employees, however it is understood that the employees will not have an unfair advantage over the general public providers of any goods or services.

Procedures

1. School system employees will not unfairly use their position or access to students and school facilities to promote personal financial gain.
2. The protocol for public users of school facilities as outlined in Board Policy 17 – Use of School Facilities shall apply to Division employees.
