"Inspiring confident, caring citizens of the world"

August 27, 2019

Background:

Alberta Education supports the local development and authorization of senior high school complementary courses which do not duplicate provincially authorized courses. The following locally acquired courses have been forwarded to Alberta Education for review and are being submitted for the Board's consideration.

ENROLMENT BACKGROUNDER

"Inspiring confident, connected, caring citizens of the world"

August 27, 2019

Background:

The Board of Trustees regularly monitors enrolment and notes trends over time. Funding is primarily enrolment-driven and monitoring and projecting enrolment trends informs the board's budgeting processes.

As per the attached monitoring report, information is provided on September 30, 2018 enrolment of provincially funded students, Siksika funded students and International funded students.

Alberta Education calculates funding for Kindergarten to Grade 9 based on the full-time equivalent student count as of September 30, 2018. High school funding is based on the Credit Enrolment Units earned per student.
