# TROCHU VALLEY SCHOOL

## EDUCATION PLAN AND ANNUAL EDUCATION RESULTS REPORT

# ABOUT OUR SCHOOL

**Trochu Valley School is located in a quiet rural setting. The school is home to approximately 270 students and 30 staff members. As we are a Kindergarten to Grade 12 school, our staff and administration get to know our students very well during their years here. There is a strong sense of family within our school. We have the advantage of being a rural school, rich in tradition, but with modernized facilities and a wide offering of programs. In addition to academic excellence, we excel in Drama, Music, Art, and Athletics. The school has a strong sense of parent and community input and these partnerships provide invaluable assistance for many of our programs. It is the people in our school and in our community that make TroVal a special place in which to learn and grow.**

# AT TROCHU VALLEY SCHOOL WE BELIEVE

- Every student can learn.
- Our purpose is to promote student learning, growth and understanding.
- Everyone will be treated with dignity and respect in a safe, caring and inclusive environment.
- Positive relationships build healthy, resilient students and staff.
- All staff must be skilled, committed and dedicated to their own continuous learning.

# PARENT COUNCIL

At Trochu Valley School, we are incredibly grateful for our dedicated Parent Council, whose hard work and fundraising efforts make a significant impact. From supporting school initiatives to providing hot lunches throughout the year, their contributions enrich our school community. A highlight of their generosity is the much-loved annual "Christmas Dinner," where the entire school comes together to share in the holiday spirit.
